

Ambience needs to be improved. By evening you won't have enough light on your table.

Thank you! We're delighted you enjoyed our food. Your feedback is valuable, and we're working to fix the lighting for corner seats.

### How ReviewSoda AI Works

- 01** ReviewSoda AI connects to your Google Reviews account and scans the reviews
- 02** Our intelligent AI Engine then analyzes the review and crafts an appropriate, human-like response
- 03** You'll receive a notification to review the AI-generated response and approve it
- 04** Upon approval, ReviewSoda AI publishes the response on Google Reviews on your behalf
- 05** You'll get monthly reports and analytics, helping you track and improve your online reputation
